

PS20-U110

20LTR PS COMPRESSOR 110V UK

Compressor Details

Engineered for rugged on-site performance & packed with features, the PowerStation is the first choice for construction sites. Powerful 2.5hp motor gives 260 litres per minute air displacement for use with multiple framing nailers. Twin air outlets for easy multiple tool use. Twin output gauges and easy to use regulator makes setting correct air pressure quick and easy. Integrated rollcage with folding handle for easy portability and storage. High impact tyres for on-site durability. Complete with 10 metre hose.
